| ABOUT US |

Set amidst the rolling Cotswold Hills on the edge of Shipton Oliffe and Andoversford, the idyllic 17th-Century Frogmill Inn, complete with roaring log fires and original beams, opened in July 2018 after an extensive refurbishment. This picture-perfect 28 bedroom hotel, with traditional Cotswold stone and extensive grounds, a river and a watermill, has been sympathetically restored to enhance its original features.

| WEDDINGS AT THE FROGMILL |

Nestled on the outskirts of Cheltenham with easy access from London, the Frogmill is the perfect location for any wedding of those local or further afield. We have a number of areas that will be exclusively yours on the wedding day; the light and atmospheric Mill Room, with its dramatic vaulted ceiling and gorgeous ornate chandeliers, will ensure a lasting impression. The Mill Room is licenced for civil ceremonies for up to 150 guests, with the Bridal party entering through our beautiful Minstrels' gallery which was imported especially from France and gives a truly romantic arrival.

If the weather is kind and the sun is shining – the raised sun terrace overlooking the landscaped gardens is the perfect space to enjoy a celebratory glass of fizz with friends and family. Alternatively, we have the perfect space for your drinks reception inside The Snug – don't be fooled by the name the room offers a bright and elegant lounge featuring games upon request.

Here at the Frogmill, we pride ourselves on giving you a real sense of luxury, accompanied with cosy sofas and rustic wooden décor, you can enjoy the Cotswold charm and feel relaxed in your surroundings. You will have a dedicated wedding planner to help you through every step of the way from the very beginning of your wedding planning – and we will also endeavor to put you in touch with the best possible local suppliers to suit your style and needs.

DID YOU KNOW?

The term wedding breakfast comes from the old tradition of couples fasting before the wedding, therefore the first meal as husband and wife would be 'breaking the fast'. However, with our beautiful on site restaurant we would recommend moving away from this tradition!

After the wedding breakfast your guests will be enjoying tea and coffee in The Snug whilst we prepare the room for your evening party. We can hold up to 200 guests for an evening function and have lots of amazing band and DJ recommendations to suit all tastes in music.

| DRINKS |

We want the day to symbolise you and for you to offer a unique experience to your guests, which is why we have created a drinks offer that you can build yourselves. We have hand-picked a selection of fantastic wines, champagnes and beers for you to build your own drinks package for your special day. Choose what you want to say cheers with after the ceremony, what wine that will best compliment the carefully selected food you have picked for the wedding breakfast and what you want to toast the day with for those all-important speeches.

We are on hand to help guide you and can offer expert advice to compliment the food you choose. Whether you are a 'foodie', 'wine-connoisseur' or want a refreshing bottle of beer on our sun-terrace, we have it all.

| ACCOMMODATION |

We have a selection of 28 beautiful rooms on site ranging from a cosy twin right up to our incredible master suite – featuring a double shower and views over the stunning Cotswold countryside.

All of our rooms are finished to an exceptionally high standard and as all rooms are first come first serve, we would advise booking as soon as possible as we do tend to get booked up many months in advance.
